Dear customers

Regarding opening of our Manila branch

Thank you for always being a great support.

We have an information which will open our Manila branch, will be starting to sale from July 15, 2019.

Dynamic in Asian markets. We think that we are aggressive in large spread frontier by technology and product power that has been learned in Japan.

It is first time for us to open an overseas office.

We are going to focus on overseas business based on Philippines for Asian zone that we are going to expand activity target in large Asia, and we are going to help for customers who are local companies and expand overseas business.

In addition, we are going to make efforts that contribute international through waterproofing business, provide excellent waterproofing quality of asphalt waterproofing approved in Japan for long time to Asian zone.

『Creation』 『Challenge』 『Contribution』 . We head to grovel development of corporate identity showed by our company. Thus we will make efforts more than before.

We hope your understanding and cooperation

Sincerely
